Please notify us as soon as possible if during the period of Insurance there are any changes in circumstances or in the material facts previously disclosed to us. If discontinuing, kindly let us know the reason so we can mark your records accordingly.

You are responsible for disclosing complete and accurate information and every material circumstance which insurers require in connection with any proposal for insurance cover. If you do not make a fair presentation of the risk the policy may be avoided, written on different terms or a higher premium may be charged, depending on the circumstances of the failure to present the risk fairly.

The policy has been issued, unless otherwise stated within the policy Schedule, on the understanding that you made a fair presentation of the risk to be insured.

Please remember in the event of a possible claim or incident please contact us. Please do not admit liability or mention that you are insured to a possible claimant. This enables insurers to protect your interests.
